Please note: Tuesday, 16 June & Thursday, 18 June are team work days

KEY	
Team Work	An opportunity for teams to ask the Canberra Innovation Network facilitator team questions about any of the workshops or their solutions, while they work on their projects together.
Mentor Session	A time slot for teams to allocate spots to talk with our expert team of mentors about their solutions and projects. Teams will be able to book mentors during Mentor Sessions.
Work Due	To make your project easy to follow and understand for mentors and the CBRIN team, teams are asked to submit tasks (assigned on the day) to their Podio form for review and feedback.
Workshops	Short workshops by the CBRIN Growth Team around Lean Innovation to help shape your final submission!
Pitch Clinic	An opportunity for teams to show the CBRIN team their final pitch for feedback and assistance. Pitch Clinic 2 is not compulsory but is there for extra help if teams need.

Please contact cameron.ritchie@CBRIN.com.au if you have any questions.
